Hello,

In total we reached out to 15 companies. 4 have sent in their quote, 2 are pending, 8 companies declined, 1 status unknown.

Below are the updates on progress of RFPs starting with your requested 4 companies. See below.

Brand Signs & Design - Decline to quote. Outside of their scope.

Superior Sign - Decline to quote. Outside of their scope. They do not do Design.

California Sign Company - Pending quote. They are talking to their designer if he can handle the project and will update us soon.

Los Angeles Sign Company - Emailed RFP and Left message to their phone line.

I found this guy during research.

Jon David Cicchetti Landscape Architect - Pending quote. Recommended by DN Signs who installed the Pine Ave. signs in Long Beach. This guy was hired by Mayor Garcia to make the design/concept of Pine Ave. gateway signage, then the city contacts DN Signs to construct. I highly recommend he to be added to evaluations. Quote is estimated to arrive by Tuesday of next week. He also does landscape design around Long Beach.

Here are the Companies we recived a design quote from so far.

- **Chrestensen Designworks**
- **Mercantile Arts Design Engineering**
- **Jill of All Trades**
- **San Pedro Electric Sign Company**

Best regards,
Andy Pham - Marketing Manager

Lorena-

We need to talk to sign companies like Superior sign, Los Angeles sign company, California sign company and Brand sign company. It doesn't make sense to pay thousands of dollars to get a design and then figure out if it can be turned into a sign. The sign company websites talk about free estimates and the design work will most likely be included in the cost.

Also did you get the new picture I'd like to have on developsanpedro home page? I would like to get the old one swapped out asap.

One last thing I just replied to your invite and suggested folks be taken off and some added.

Thanks,

Alan

I don't create an agenda for the Executive Committee so anything is fair game. We have received another bid since that last time we spoke and I have made copies for everyone to review. I may also be getting a 4th bid before Friday.

Can we put the archway sign on the agenda just for our exec comm meeting? I want to suggest a different tack to take in getting bids for the sign, namely, from sign companies who have in house art departments.
